

You're invited to join  Industrial for a morning program to learn how OSHA's revised silica standard effects your company.

OSHA'S NEW SILICA STANDARD: WHAT YOU NEED TO KNOW

When: Thursday, July 27th 2017, 8:30 a.m. – 12:30 p.m.

Where: Galloping Hill Golf Course
3 Golf Drive, Kenilworth, NJ 07033

The event will begin with a continental breakfast at 8:30. The program will then begin at 9:00 with

- 1) An overview of the hazards of silica presented by Ken Bickerton, CIH, CSP. VP and senior Consultant with PHASE Associates, LLC.
- 2) OSHA's requirements for employers & its timetable for implementation, presented by Michael Corbett, Acting Area Director, Marlton Area Office.
- 3) A tabletop display of Personal Protective Equipment that A&M can supply as solutions for the danger of silica.

Lunch will follow the presentation. Be our guest. You will be able to meet and network with other attendees, product manufacturers' representatives and members of A&M's sales team.

Seating is limited. Please RSVP: Maria Ferrara @ mferrara@am-ind.com, Scott Heller @ sheller@am-ind.com or Ken Shlian @ kshlian@am-ind.com or call 201-400-7370
